

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of our students reach grade level standards.

Our Compact will Benefit everyone!

Jointly Developed

The parents, students, and teachers of Long Cane Elementary developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact.

Parents are welcome to contribute comments at any time!

If you would like to volunteer, please contact our Family Liaison- Carla Edmonson- by calling the school.

Activities to Build Partnerships

Anytime parents visit LCES- from lunches to academic workshops- our partnership is strengthened! Please check the student handbook/calendar for all events. If you would like to volunteer or mentor at the school, please call us!

Communication and Student Learning

LCES is committed to frequent two-way communication with our families about student learning. Here are some ways we communicate:

- Tuesday folders
- Updates on our school website and FB page
- Home visits
- Parent Conferences
- Board in the front of the school
- Remind messages
- Phone Calls, emails

REVISION DATE : Sept 5, 2019

School-Parent Compact For Achievement

2019-2020

1st Grade Focus for Student Success

Long Cane Elementary School

Katie Brown, Principal

Our Goals for Student Achievement

District Goals:

1. Ensure all students achieve at their highest level of academic performance.
2. Provide a safe, secure, and wholesome learning environment.
3. Engage all students, staff, families, businesses, and the community in the educational process.
4. Maximize efficiency and productivity in pursuit of the system's mission.

LCES 1st Grade Goals:

 80% of first grade students will increase guided reading levels by 4 levels by May. Level J is the goal for the system.

 80% of first grade students will be fluent in addition and subtraction facts within 10 by May.

Teachers, Parents, Students- Working Together for Success

In the 1st Grade Classroom

The 1st Grade teachers will work with students and their families to support student success. Some of our key connections with families will be:

 Teachers will provide links and an online newsletter with resources for reading online at home.

Teachers will provide cards and card games to parents throughout the year that match the standards being taught.

At Home

LCES parents joined staff to develop ideas about how families can support student success.

Parents will use the online resources to make sure that students are reading 20 minutes every night.

Parents will play math games provided with students to increase fact fluency.

1st Grade Students

Students joined staff and parents to develop ideas about how they can succeed in school. Students shared the following ideas:

Students will read 20 minutes every night.

Students will practice math facts by playing card games with parents.

Teachers, Parents, and Students believe these additional key points will create success for our 1st Graders this year:

Be prepared for school everyday and follow the LCE expectations.

Ask questions when you don't understand something.

Communicate with teacher.
