

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of our students reach grade level standards.

Our Compact will Benefit everyone!

Jointly Developed

The parents, students, and teachers of Long Cane Elementary developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact.

Parents are welcome to contribute comments at any time!

If you would like to volunteer, please contact our Family Liaison- Carla Edmonson- by calling the school.

Activities to Build Partnerships

Anytime parents visit LCES- from lunches to academic workshops- our partnership is strengthened! Please check the student handbook/calendar for all events. If you would like to volunteer or mentor at the school, please call us!

Communication and Student Learning

LCES is committed to frequent two-way communication with our families about student learning. Here are some ways we communicate:

- Tuesday folders
- Updates on our school website and FB page
- Home visits
- Parent Conferences
- Board in the front of the school
- Remind messages
- Phone Calls, emails

REVISION DATE : Sept 5, 2019

School-Parent Compact For Achievement

2019-2020

2nd Grade Focus for Student Success

Long Cane Elementary School

Our Goals for Student Achievement

District Goals:

1. Ensure all students achieve at their highest level of academic performance.
2. Provide a safe, secure, and wholesome learning environment.
3. Engage all students, staff, families, businesses, and the community in the educational process.
4. Maximize efficiency and productivity in pursuit of the system's mission.

LCES 2nd Grade Goals:

80% of students will increase Lexile level by 100 points by May.

80% of students will be fluent in their addition and subtraction facts within 20.

Teachers, Parents, Students- Working Together for Success

In the 2nd Grade Classroom

The 2nd Grade teachers will work with students and their families to support student success. Some of our key connections with families will be:

Teachers will send home a monthly reading log with labeled Lexile to document reading at home.

Teachers will send home fact fluency practice and games to use at home.

At Home

LCES parents joined staff to develop ideas about how families can support student success.

Parents will read with child 20 minutes every night and sign reading log.

I will practice math fluency games with my child.

2nd Grade Students

Students joined staff and parents to develop ideas about how they can succeed in school. Students shared the following ideas:

Students will read 20 minutes at home every night.

Students will practice math fluency facts at home.

Teachers, Parents, and Students believe these additional key points will create success for our 2nd Graders this year:

- Discuss work that comes home in Tues folders
- Get enough sleep so the brain is ready to learn
