

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of our students reach grade level standards.

Our Compact will Benefit everyone!

Jointly Developed

The parents, students, and teachers of Long Cane Elementary developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact.

Parents are welcome to contribute comments at any time!

If you would like to volunteer, please contact our Family Liaison- Carla Edmonson- by calling the school.

Activities to Build Partnerships

Anytime parents visit LCES- from lunches to academic workshops- our partnership is strengthened! Please check the student handbook/calendar for all events. If you would like to volunteer or mentor at the school, please call us!

Communication and Student Learning

LCES is committed to frequent two-way communication with our families about student learning. Here are some ways we communicate:

- Tuesday folders
- Updates on our school website
- Home visits
- Parent Conferences
- Board in the front of the school
- Remind messages
- Phone Calls, emails

REVISION DATE : Sept 5, 2019

School-Parent Compact For Achievement

2018-2019

5th Grade Focus for Student Success

Long Cane Elementary School

Katie Brown, Principal

Our Goals for Student Achievement

District Goals:

1. Ensure all students achieve at their highest level of academic performance.
2. Provide a safe, secure, and wholesome learning environment.
3. Engage all students, staff, families, businesses, and the community in the educational process.
4. Maximize efficiency and productivity in pursuit of the system's mission.

LCES 5th Grade Goals:

80% of students will have a Lexile score of 920 or above by May.

5th grade (as a whole) will increase 5 percentage points in the proficient and distinguished category on math GMAS.

Teachers, Parents, Students- Working Together for Success

In the 5th Grade Classroom

The 5th Grade teachers will work with students and their families to support student success in reading and math. Some of our key connections with families will be:

Teachers will send Read Theory login information home with students to practice reading 20 min a night.

Teachers will use remind and google classroom to send Quizlet math vocabulary practice and spiral review home.

At Home

LCES parents joined staff to develop ideas about how families can support student success in Reading and Math

Parents will ensure students read at home for 20 minutes each night using Read Theory or library book and will have conversations and ask questions to students about what they read.

Parents will ensure that students complete the quizlet and google classroom math at home.

5th Grade Students

Students joined staff and parents to develop ideas about how they can succeed in school. Students shared the following ideas:

Students will use Read Theory at home and also make sure their library book is the appropriate lexile level.

Students will complete Quizlet and google classroom assignments.

Teachers, Parents, and Students believe these additional key points will create success for our 5th Graders this year:

- Have a good attitude
- Eat a good breakfast
- Be prepared for school
- Go to bed at a reasonable time
