

Important changes to EKES Remind!!!

- Due to new limits from Remind, EKES had to remove all parents from our account.
- We have created new Remind groups using the first letter of a parent's last name.
- You will only need to join 1 group. The same information will be sent out to each group.
 - For example, if your name is John Baker, you will join the Remind group for letters A-C since your last name, Baker, falls between the letters A-C.

Directions to join our new EKES Remind:

- Text 81010 then enter the message- *You only need to join 1 group*
