

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of our students reach grade level standards.

Our Compact will Benefit everyone!

Jointly Developed

The parents, students, and teachers of Clearview Elementary developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact.

Parents are welcome to contribute comments at any time!

If you would like to volunteer, please contact our Family Liaison- Jennifer Barber- by calling the school.

Activities to Build Partnerships

Anytime parents visit CVES- from lunches to academic workshops- our partnership is strengthened! Please check the student handbook/calendar for all events. If you would like to volunteer or mentor at the school, please call us!

Communication and Student Learning

CVES is committed to frequent two-way communication with our families about student learning. Here are some ways we communicate:

- Tuesday folders
- Updates on our school website
- Home visits
- Parent Conferences
- Board in the front of the school
- Remind messages
- Phone Calls, emails

REVISION DATE : 09/12/2019

School-Parent Compact For Achievement 2019-2020

4th Grade Focus for Student Success

Clearview Elementary School

Our Goals for Student Achievement

District Goals:

1. Ensure all students achieve at their highest level of academic performance.
2. Provide a safe, secure, and wholesome learning environment.
3. Engage all students, staff, families, businesses, and the community in the educational process.
4. Maximize efficiency and productivity in pursuit of the system's mission.

CVES 4th Grade Goals:

1. Goal: 45% of 4th Grade students will increase their Lexile level by 100 points by the end of the school year.
2. Goal: 75% of 4th Grade students will increase their Math GRASP Score.

Teachers, Parents, Students- Working Together for Success

In the 4th Grade Classroom

The 4th Grade teachers will work with students and their families to support student success. Some of our key connections with families will be:

Offer family workshops at two different times that focus on reading and math skills

Teachers will provide an assortment of reading material for home practice and incorporate a daily Read Aloud segment to advance Lexile growth.

Teachers will use technology based instruction accessible from home to increase student math fluency & reading comprehension.

At Home

CVES parents joined staff to develop ideas about how families can support student success

Parents will attend workshops offered by the school.

Parents will read to their students at home and encourage them to read independently.

Parents will encourage students to use technology at home that will encourage growth across the content areas.

4th Grade Students

Students joined staff and parents to develop ideas about how they can succeed in school. Students shared the following ideas:

Students will bring home workshop flyers in Tuesday Folders.

Students will read the assortment of reading material. Students will listen attentively during Read Aloud Segments.

Student will use technology based instruction materials such as websites to increase math fluency and reading comprehension.

Teachers, Parents, and Students believe these additional key points will create success for our 4th Graders this year:

-Open lines of communication from home to school.

-Commitment from teachers and parents to work as one team for students success.
